

**AMENDMENTS TO THE SPECIFICATION**

**Please amend the specification as follows:**

**After the heading “{Example 3}” at line 3 on page 20, please replace the first full paragraph with the following amended paragraph:**

The Example 3 conducts an experiment under the same condition as the Example 1 except that the surface temperature of the gel-like film 20 is set to 135°C inside the tenter drier 22 and the tension to the gel-like film is 120 kg/m. The result of the Experiment is illustrated in Table 1.

**After the heading “[Table 1]” at line 17 on page 21, please replace the table with the following amended table:**
